### Details

Sitting discreetly and comfortably against your body, the Pulse Belt from Salomon is the minimal way to carry essentials whether you're going for a short morning run, hitting the slopes or enjoying a day of sightseeing. This belt is constructed from a 4-way stretch fabric which creates a snug fit that stays put while you go about your activities. It sits flat on your body thanks to the tubular construction, which makes it super stable and reduces bounce for an excellent fit. There are multiple expandable pockets for your essentials such as keys or snacks, the two stretch pockets can fit the separately available 500ml hydration flasks and the diagonal straps allows you to carry hiking poles or a jacket. The minimal Pulse Belt from Salomon allows you to carry your important essentials and hydration flasks while you're running, skiing or travelling. Minimal and stable design for light adventures Made from 4 way stretch fabric which creates a snug fit Tubular construction sits flat for comfort Multiple expandable pockets for essentials Diagonal straps allow storage for jacket or hiking poles Two stretch pockets can fit the separately available 500ml hydration flasks from Salomon
