

Blacksmith Camping Supplies Australian Made Porta Potti Portable Toilet Bags

From \$82.90

Available sizes:

Small | Medium | Large

Details

Made in Australia, from heavy-duty Australian made canvas and PVC, the Blacksmith range of Portapotti Toilet Bags will protect your gear on your adventures for years to come. Handmade using durable corespun polycotton thread and 370gsm Australian made canvas, which is Dynaproofed, breathable, rotproof, and UV resistant to ensure it lasts. Australian made canvas is constructed to be extremely rugged as it doesn't skip the crucial bleaching process during manufacture, which prevents the material from breaking down over time. The base is made from the only heavy-duty 680gsm PVC tarpaulin fabric that's made in Australia for Australian conditions, which is anti-mildew, easy to clean and UV stabilised so that it doesn't get brittle after sun exposure. It's finished with sturdy 38mm webbing handles with reinforced stitching and two YKK spiral core zip sliders that glide smoothly around the squared edges of the bag. With a range of sizes available to suit most popular portable toilets on the market, you'll have a steadfast option for keeping your camp toilet protected while you're exploring far and wide with the Porta Potti Toilet Bag from Blacksmith Camping Supplies.
