Details

Is your family on the larger side and completely useless at pitching tents? Well, let the clever Speedy Family Pop-Up Sunshelter from Explore Planet Earth make light work of it.

Popping up in an instant, the Smart Shade protects you and your little ones from the harsh Aussie sun with its UPF 50+ rated fabric. A zippered panel on the back delivers extra protection when closed or great ventilation when opened up, and it has a detachable floor that you can sit on.

Also featuring a durable non-corrosive spring steel frame, this pop-up beach shade includes pegs and a sandbag anchor for stability and has built-in sand and storage pockets for keeping small items at hand. And it's as easy to pack up as it is to set up!

- UPF 50+ rating
- Detachable floor
- Non-corrosive spring steel frame
- Zippered back panel for extra protection
- Sand and storage pockets
- Pegs and sandbag anchor included
- Carry bag
