### Details

The Jolly Swagman Shiralee Double Swag is made from first-class materials, offers a roomy design and will adapt to whatever conditions you find in the outback as it's designed for Aussie conditions.

Constructed from high quality re-enforced canvas that's breathable, rot proof and waterproof - this swag is built to cope with the harsh outdoor environment. This swag was designed to maximise room at the head and foot so that you have a bit more space to stretch out and get comfortable, and it's easy to get and out of thanks to the zippered top flap that's also hooded for extra protection.

Everything on the Shiralee is high quality, including the Featurig heavy duty, water repellent and self-repairing zips and the sandfly and mozzie proof mesh. With a 7cm high-density foam mattress, all you need is a sleeping bag and a pillow, and you're set for a solid sleep out under the stars.

With a carry handle, you can cart your swag around with ease, and interior pockets to store your essentials close but out of the way of your sleeping space. For the adventurer who likes a bit of extra room, or the outdoorsy couple the Shiralee Double Swag is a solidly constructed swag that will accompany you on your outdoor escapades for many years to come.
