Details

Made in Australia, and made to last, the Jolly Swagman Matilda Double swag is a traditional style swag for two, in a simple, compact and durable design.

One full-length side zipper secures a single canvas cover, while an insect-proof mesh end panel is closed with a second zip. The Matilda swag is pitched with optional guy ropes and/or adjustable head pole through a heavy duty eyelet, while an included foot pole keeps the canvas off your feet.

The mattress is made up of medium density full-length foam on top, and high-density foam on the bottom which is cut shorter to support the torso. This progressive density design provides maximum comfort and minimal bulk.

Made with tough 15oz proofed TearCheck™ Canvas on the top, and 17oz on the base, the Jolly Swag range is finished off with high-quality components throughout.
