Details

A classic design, the Coleman Directors Chair Plus looks like the directors chairs of years gone by, with the added benefit of a sturdy side table and drink holder.

The loop style aluminium frame is ideal for tent floors and is super lightweight for easy transport. The side table folds down independently of the chair and the seat and backrest are fully padded.

With a 135kg weight rating, the Directors Chair Plus is a great all-rounder and is fantastic value for money.
