Details

With an OZtrail Leisure Mat Double Self Inflating Mat, you never have to stress about waking up to a punctured sleeping mat, as it stays in a lofted state - even if it gets a hole!

This mat has a high flow two-way flip valve, which reduces inflation time, helps prevent air escaping, and makes rolling it up a lot easier. The top is made from easy to clean brushed velour for a soft feel, and this mat features high-density open cell foam for plenty of comfort. It also has a boxed sidewall construction which adds more edge support and helps with inflation.

When it's time to head home, this mat packs away with the storage straps and carry bag that's included. Get a reliable rest on your car camping expeditions, with the Leisure Mat Double Self-Inflating Mat from OZtrail.
