

Thermarest Women's ProLite Plus Sleeping Mat

~~\$239.95~~ **\$184.90**

Details

Statistically speaking, women sleep colder and have a shorter average height than their male counterparts. The Thermarest® Women's ProLite™ Plus mat is tailored for these differences.

Less foam has been cut from the torso and foot section of the women's mat, resulting in better insulation values, and with a shorter mat length, the Women's ProLite™ Plus actually weighs less than the Regular ProLite™ Plus.

Thermarest® Women's ProLite™ mats are made in the USA to high standards, using quality die cut polyurethane foam laminated with a soft touch 50D Polyester upper, and 50D Soft Grip Nylon base. These lightweight, compressible materials come together in a tapered shape producing a highly packable product for lightweight adventurers.

Excellent balance of comfort and weight
Thicker than the ProLite™ models for extra warmth
Made in the USA
Includes stuff sack
