Details

A simple foam mat with a removable cover, the OZtrail Camp Mat Jumbo 50mm provides a little more sleeping space than its smaller sibling. The upper is a breathable polycotton, while a water-resistant, easy clean base minimises moisture take-up from the ground.

The Jumbo Camp Mat from Oztrail can be used as a regular sleep mat in your tent, as a replacement mattress for your swag or is an affordable way to add a little more comfort to an old camp stretcher.
