### Details

With the Companion 4 Person Picnic Set, all you'll need are some delicious food and bevies and you'll be all set to dine in the great outdoors.

The 12-litre aluminium lined soft cooler will keep your snacks and drinks cool on a hot day, and the pack is made from a strong and durable 1200D Polyester, so it's perfect for rugged outdoor conditions. With cushioned twin shoulder straps, you'll have plenty of support on your back when you're hauling your goods to and from the car, and the interior is compartmentalised which makes finding and storing your stuff so much easier.

This set even comes with a PVC zippered wash bag to store your dirty dishes, so you can keep them separate from your clean gear. And the cherry on top is that there is a picnic rug with a water-resistant backing included, which will keep your delicate behind comfortable from any rogue prickles, bark, or sticks.
