

Primus Ice Cube Tray

~~\$7.95~~ **\$5.90**

Details

Some of us like tinnies when we camp. Others wine. And some enjoy a cheeky cocktail or three. But what's a cocktail without ice? And I don't mean that murky stuff from the bottom of the icebox. Every caravan freezer or car fridge/freezer needs a Primus Ice Cube Tray to keep those cocktails rolling.

Made from food-grade silicone, it's soft and easy to remove the cubes. And small and pliable enough to chuck in the back of the cupboard when not in use.
