

Companion Tent Fan with LED Light

\$39.90

Details

Camping on a hot summer night? Keep cool with a Tent Fan with LED Light from Companion. This easy to operate fan is ideal for use in tents, at homes or in caravans.

With soft foam fan blades, this fan is a safe and practical option compared to traditional metal or plastic blades - so it's a great choice for use around children. With two speed settings - high and low, as well as high and low light settings - you can adjust this fan to your set up.

The Tent Fan also comes with a multi-use mounting bracket which allows you to hang it up or stand it on a table depending on which direction you need a breeze.

It also has a rechargeable lithium-ion battery, so you don't have to deal with disposable batteries. For a cooler space on a hot night, the Companion Tent Fan with LED Light is just what you need.

Two fan speed settings
Rechargeable lithium-ion battery
Two brightness settings
Soft touch foam blades for safety
Multi-use mounting bracket for standing on a table or hanging
