

Victorinox Rescue Knife + Sheath

\$119.90

Details

The Victorinox Rescue is the ultimate survival tool. If you're travelling through the Australian outback and have an accident, it could make all the difference. Featuring a seat belt cutter, window breaker, and disc saw for cutting through the shatterproof glass, it's an ideal tool for the hardcore 4x4er.

Victorinox don't do things by halves. Not only are they creators of the original Swiss Army Knife. They have a record of creating beautiful, functional, precision quality, and innovative knives for over 100 years. There is no mistaking the red knife with the little white shield.

Don't take risks next time you head out bush. Make sure there is a Victorinox Rescue in the glovebox or centre console. Not only is it an important survival tool, it has many of the features of your regular Swiss Army Knife. Now that's versatile!

Features: Large blade with wavy (serrated) edge, seatbelt cutter, reamer, punch; disc saw, bottle opener, 5mm lockable screwdriver, wire stripper, 1/2 Phillips screwdriver, window breaker, key ring, toothpick, tweezers, luminescent handle
Weighs 167g
