If you love wearing your sandals every day, the Keen Newport Leather Men's Sandal is for you. Whether you're spending a day at the beach or trail hiking, the Newport Leather sandal gives you the ultimate comfort and grip come rain or shine so all you need to worry about is having fun.

Quick and easy lacing with a washable waterproof leather allows for a secure fit, while the hydrophobic mesh lining of the Newport sandal ensures water pools away from the foot and dries quicker.

Superior traction on rugged wet and dry terrain is supported by non-marking rubber outsole and 3mm multi-directional lug pattern with razor siping. The outsole of the Newport Leather sandal then wraps around the toes for increased protection while the TPU stability shank supports the arch of the foot.
