### Details

The Pacsafe Metrosafe LS100 is the kind of travel bag that will always be by your side. It's the perfect size to hold all your necessities - whether you're just popping out to dinner, or you're heading off on a day tour around Paris.

The main compartment has a padded sleeve, big enough to hold an iPad Mini. An RFID blocking pocket holds your passport and a wallet comfortably and securely. The front organiser pocket has an array of smaller pockets to keep your small stuff in order and accessible - your sunnies, camera, and a block of fine French chocolate.

As with every Pacsafe product, the Metrosafe LS140 features extensive security features that prevent pickpockets from accessing or slashing your bag, undoing your zippers, and stealing your identity. Safe travels.
